

FISE European Series The Wizink Center opens its doors to the first stop of the tour MAY 3rd, 4th, 5th

Ramps: ready. Riders' warm-up: done. La Comunidad de Madrid seems to be the best place to spend the weekend - so make sure to catch all the action from FISE Madrid.

The Spanish action sports scene is certainly one of the biggest in Europe, and they were a lot of local riders who registered today. And what a line up to join us to kick off the first FISE European Series stop ever. In Skateboard, it's probably the opportunity to enjoy one of the most skateable European city which gathered some of the best riders. Ke'Chaud Johnson, Richard Tury and Mathias Dell Olivo among many others joined us already. No time to waste for Danny Leon, who took the win at the Ollie Contest.

In BMX Freestyle Park, the contest is labelled C1 by UCI, which offers the opportunity to riders to get points for the Tokyo 2020 Olympic Games. They come from all around the world this weekend. Daniel Dhers, Nick Bruce, Teresa Fernandez, Lara Lessmann, Justin Dowell, Irek Rizaev, Kenneth Tencio, Jack Clark, Declan Brooks, Alex Coleborn, Kostya Andreev... Some of the best international riders are here to rock the ramps.

Hyped by this? Grab all the weekend action in the newsroom.
