FISE Hiroshima Parks go big

When: 19th – 21st April

**Where: Former Hiroshima Municipal Stadium,
Hiroshima, Japan**

The Freestyle Park is primed and ready to host the UCI BMX Freestyle Park World Cup competitions. Last year a new wave of Japanese riders stole the show, with their insane skill level. Enhanced by the massive home crowd in front of them, they proved that Japan is a real talent tank. Women pushed it to an insane level too, and this gave inspiration to the Hurricane Parks team to design an even bigger set up this year.

More info coming very soon, so stay tuned!
