Why are we going to Saudi Arabia ? At FISE it is our mission is to develop and grow the popularity of Action Sports and this event in Saudi Arabia gives us the opportunity to again introduce our sports to a whole new audience. Last year, more than 137,000 attendees gathered in Jeddah to enjoy our Action Sports event, and it's this appetite for sports which motivated us to again partner with the General Sports Authority and travel to the other side of the country, to stage an event in Al-Ahsa Oasis.
