About FISE Academy - Chengdu:

Establishment:

From mid - December 2018, FISE Academy Chengdu has been officially launched with a dedicated action sport park built by Hurricane Park right before 2018FWS Chengdu, which is also the very first international standard action sport park.

Enrollment Scale:

Till the end of August 2019, FISE Academy Chengdu has had 164 registered students, and has been training no less than 2600 person in most popular action sports such as skateboard, BMX freestyle.

Training programs:

BMX: BMX freestyle (Tokyo 2020 Olympic Games), BMX flatland.

Skateboarding: skateboard street (Tokyo 2020 Olympic Games).

Other activities: kitesurfing, wakeboarding.

Other activities:

World Skateboard Day: on June 21, FISE China celebrated the annual "World Skateboard Day" with local skateboarders in the form of "After Party". FISE China shared their passion for skateboarding and the cheers of the audience.

International BMX Day: on July 20, FISE China celebrated this special day with local riders. On the site, we've got enthusiastic idea exchanges, passionate performances, teams to paint the streets to show their love for BMX, as well as young students from FISE academy to learn from the seniors.

Mini Challenge: with the help of our sponsors, the students of the school organized the skateboard and BMX challenge.
