## Get Ready!

### 1st stop of FISE World Series 2019

**When: 19th – 21st April**

**Where: Former Municipal Stadium, Hiroshima,  
Japan**

We have landed in Japan for the 1st stop of the 2019 series and we couldn't be more excited to be back in Hiroshima. The line up of sports for this event is insane and we can expect a truly epic 3 days ahead of us.

It all started today with the opening of the training, where riders teased some brand new tricks that they will hope to drop in their runs tomorrow.

Today's press conference lined up Mr Watanabe (JUSC Chairman), Mr Ota (JUSC Vice chairman), Hervé André Benoit (Hurricane CEO), as well as a great selection of Japanese and International riders. As announced by the last speaker Laurent Dupont, a peace celebration will take place tomorrow. Thanks to a collaboration between Hurricane and Peace and Sport, FISE Hiroshima will be the closing event of the 2019#WhiteCard

campaign. We will engage riders in a "FISE Riders for Peace" challenge. Then visitors, riders and officials will raise a white card as strong symbol of peace.

Tomorrow, we have the qualifying events in all our sports :

- [UCI](#) BMX Freestyle Park World Cup
- [UCI](#) BMX Flatland World Cup
- [WS](#) Roller Freestyle World Cup
- [FISE World Series](#) Skateboard Street
- [FIG](#) Parkour World Cup
- [IFSC](#) Bouldering International Series
- [WDSF](#) World Open Series – Breaking

For those of you not able to join us on site here is a reminder of all the ways to follow the action!
