STEP 3 : SHARE

MOBILIZE THE FANS

Once approved, the video will be released automatically on e-fise.com platform, and athletes will receive an email prompting them to share it on social media.

They'll have to mobilize their community to collect votes for their video. Their fans will be able to vote for them on the e-fise.com/montpellier platform. Sharing instructions will be communicated to them by email once the video is validated.

The video will also be viewed by our expert panel of judges whose votes will count towards the final score.

Athletes who make it to the finals will need to create a brand new video. This video will only be judged by fans on the platform: <https://e-fise.com/montpellier>

Once your video is approved, athletes will once again have to mobilize their fans to vote for the video. Instructions will be given later for all finalists as, well as for the official award ceremony.

FUNDRAISING : Fans can donate to the contest Prize Fund

E-FISE was created to offer some support to professional athletes during these difficult times without the competitions that many rely on as their main source

of income.

FISE and our partners have pledged to offer a minimum of 150K Prize Money, the same as FISE Montpellier 2019. You can help make this even more by donating. The donations will go towards the prize fund for the athletes, the more donations received the more athletes that will receive prize money.
