FUNDRAISING : Fans can donate to the contest Prize Fund

E-FISE was created to offer some support to professional athletes during these difficult times without the competitions that many rely on as their main source of income.

FISE and our partners have pledged to offer a minimum of 150K Prize Money,

the same as FISE Montpellier 2019. You can help make this even more by donating. The donations will go towards the prize fund for the athletes, the more donations received the more athletes that will receive prize money.
