Whether in BMX, Skateboard, Roller, Wakeboard, Parkour, Breaking or Scooter, the 2000+ athletes who usually attend the event, are instead invited to participate by submitting videos to the e-fise.com/montpellier web platform which has been specially developed for this experience.

Urban Sports communities are already familiar with video contests, however this is the first time ever that so many disciplines have been gathered together in a digital project of this scale. International federations such as UCI, World Skate, FIG and WDSF have confirmed their support and many public and private partners have already joined the E-FISE Montpellier by HONOR digital move. Legendary pro athletes have also demonstrated their enthusiasm for the contest, and excitement about the 150K prize fund available, which will be further enhanced by a fundraising campaign for pro athletes, also hosted on e-fise.com/montpellier.

The contest will run all summer with qualification phases taking place July 9th to September 4th and then finals September 9th to 20th. The first week of finals will be dedicated to Amateur, Breaking & BMX Flatland and the second week all the other pro finals will take place.
