### FISE WORLD SERIES 2020 Stop 1 - HIROSHIMA RESCHEDULED

After careful consideration and a thorough review of the Coronavirus COVID-19 situation, we have decided to reschedule FISE World Series Hiroshima.

The event was due to take place on 3rd – 5th April and to feature several World Cup and World Championship competitions, which are listed below. In consultation with the International Federations involved, it will now take place at a later date to be announced.

Our primary concern is always the safety and well-being of the athletes, fans and partners who are involved in our events and given the situation as it is today, we feel postponement of the event is the best option.

We will be releasing more information in the coming days, but in the meantime if you have any questions please contact [natalie.c@hurcn.com](mailto:natalie.c@hurcn.com)

Thank you for your understanding and support during these challenging times.
