FISE World Series Montpellier Rescheduled

Due to the ongoing situation linked to COVID-19, Hurricane Group is postponing all events that were due to take place before June 1st.

In this exceptional situation, we have decided to limit our activities as much as possible and postpone all events on the FISE calendar that were due to take place before June 1st. FISE Montpellier, initially scheduled from May 20th to 24th, will be moved to a later date in August. We will confirm the exact date in the coming weeks.

"This is an unprecedented decision, and probably one of the most difficult that we have had to make since the creation of the festival in 1997. In France, and everywhere on the planet, we have to assume our responsibilities as citizens, as event professionals, but also as action sports enthusiasts, in this fight for the health of all."

Hervé ANDRE-BENOIT, FISE Founder & Hurricane Group CEO

All information will be available on the [FISE website](#) which will be updated as decisions are made. At this point, no event is cancelled, and we are currently working on rescheduling all of our dates. The whole team is eager to resume the season, but now is the time for global solidarity to overcome this challenge.
