### 2021 UCI URBAN CYCLING WORLD CHAMPIONSHIPS PRESENTED BY FISE All the action from the BMX Freestyle Park Finals!

Incredible displays of BMX in both contests as riders gave it their all to try and take home the coveted UCI Rainbow Jersey. This event is also the very last occasion to get points towards qualifying for the Tokyo 2020 Olympic Games this summer, so the stakes could not have been higher.

#### BMX Freestyle Park Women

The 2021 UCI BMX Freestyle Park World Champion is Hannah Roberts. The defending champion holds on to the title and takes home the Rainbow Jersey once again. Every time these ladies compete the bar is raised and the progression is evident, which is what makes the Women's BMX Park Contests so exciting to watch. Today was no exception, as we saw all the girls pushing the limits with many new and improved tricks.

#### BMX Freestyle Park Men

Logan Martin pulled off an unbelievable run to take home the gold medal and UCI Rainbow Jersey, scoring 94.7. His run had everything, massive tricks and flawless execution including a Nothing Front Bike Flip and 720 double barspin.

#### BMX Flatland Men – Semi - Finals

It was French rider and Flatland legend Alex Jumelin who came out on top in today's semi-finals. His run included a series of signature tricks that he has mastered perfectly including a half cab nose combo and 720 nose wheelies.

Join us tomorrow at 15.20 CET for the final.
