2021 UCI URBAN CYCLING WORLD CHAMPIONSHIPS PRESENTED BY FISE BMX Freestyle Park and Flatland Finals are Live on Monday and Tuesday!

It was all action in the **BMX Freestyle Park Qualifications and Semi-Finals this weekend**. In the women's qualifier **Hannah Roberts** brought her signature big tricks and can feel confident going into the finals as the top place qualifier. Her American team mate **Perris Benegas** was close behind in second place, her style and height cruising the park was incredible. **Chelsea Wolfe** finished off the top 3, with a super impressive display of bike control and tricks, she will definitely be one to watch in the final.

In the **Men's Semi-Finals** the level was incredible and in the end a score of over 83 points was required to get one of the 12 spots in Monday's final. **Daniel Sandoval** was first with a perfect first run that earned him an huge score of 94.06. It was perhaps the clean execution and variety of his run that impressed the judges as he produced tricks no one else was trying. In second place was yesterday's top qualifier **Nick Bruce** who had another big performance that was clean and consistent. Stand out tricks included a massive 540 flair in a run that earned him a score of 92.64. 3rd place was **Logan Martin** with yet another flawless performance full of big tricks that scored 91.94.

In the **Men's BMX Flatland Qualification** the line up was stellar with some incredible riders taking part. **Matthias Dandois** came out on top with a mesmerising run that featured some new combos. His style and the way he combined his tricks earned him a score of **84.50**. In second place American rider **Terry Adams** who created some difficult technical combos to score **82.67**. In 3rd place UK rider **Lee Musselwhite** who won last year's Master of Creativity. His run was full of original tricks and signature combos.

5 riders took part in the **Women's Flatland Qualification** and it was once again Irina Sadovnik who came first, with tricks as technical as ever, she scored 77.33 points. In second place French rider Céline Vaes and in 3rd

Julia Preuss who was just behind her in the points. The finals look promising and we look forward to seeing them LIVE on Tuesday.
