Last weekend, the FISE Xperience Series bring action sports vibes in a new destination, Thonon-les-Bains. Located on the benches of Lemans Lake's benches, it hosted two Parks specially set up on Place de Crète, to welcome BMX, Roller, Skateboard and Scooter competitions in front of crowds of spectators. As in Reims earlier in the season, if the title of winner of the FISE Xperience Thonon-les-Bains 2022 is at stake for the sports represented, the BMX Freestyle Park was also certified Coupe de France FFC and C1 by the UCI, which allow to get point counting for the world ranking.

This opportunity attracted the Triple European Champion Anthony Jeanjean, as well as Laury Perez to get Gold at this stop! To support BMX Freestyle Park athletes, joined by numbers of local and European riders on Roller Freestyle Park, Skateboard Street and Scooter Street, a massive crowd gathered all around both Parks. This unique mix of spectators, made of Action Sports enthusiasts and neophytes, is the FISE French Tour signature.

If Pro contests bring huge tricks technicity and massive amplitude, local riders have been rocking the ramps in Amateur and Junior categories. As the new one to follow, Tristan Gouzi, only 17 yo and already getting the Gold on Skateboard Street Amateur, both Thononais Constantino Rousseau and Dohan Fouquet Pellegrino succeeded in second and third position on Scooter Street Junior.
