Less than a week to go before the start of the FISE Xperience Series 2022 last stop in Le Havre. Last but not least, it's going to be the biggest of the season with a 5 disciplines contest. On 3 fields of play, the city is going to gather BMX and Roller Freestyle Park, Skateboard and Scooter Bowl as well as BMX Flatland riders to wrap the season with a jam-packed weekend of action! Huge sport stakes are going to push Pro, Amateur, Women and Young talents to go big, with the Coupe de France FFC for BMX Flatland and BMX Freestyle Park, as well as a UCI C1 certification for the last one. As in the iconic Le Havre's Bowl, on the massive Freestyle Park ramps or on the Flatland Area, crowds will be on fire to support international riders and local rising champions.
