When: 19th – 21st July

**Where: PESI, 2 chemin de Beaumont, 36130
DÉOLS, France**

BMX & Roller Freestyle Park, Skateboard and Scooter Freestyle, four sports are represented in this brand new event. Its central location in Europe promises to attract a huge line up of riders. The first ever FISE European Series event in Madrid 2 months ago was insane for the BMX and Skateboard riders, so they can't wait to enjoy another big event in a months time.

To top it off, the event will be labeled C1 by the Union Cycliste Internationale (UCI), the worldwide governing body for cycling, providing BMX Freestyle Park riders with an opportunity to gain qualification points for their country towards the Tokyo 2020 Olympic Games. This new addition to the event will bring even more world class riders to Châteauroux!

True to the spirit of FISE the event will be free to attend and everyone is welcome!
