E-FISE Montpellier Battle Of The Nations The Story So Far! November 2 - December 14, 2020

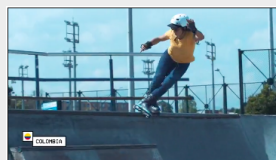

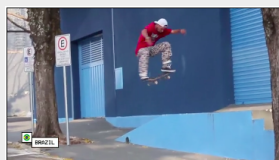

With 46 nations competing, the tension and excitement is felt all around the world for the first E-FISE Montpellier Battle of the Nations. Athletes are highly involved and they still have until December 13th to motivate their communities to vote for their team!

The Top 10 ranking is made up of countries from each continent. Latin America, Europe, Asia, Oceania... It's always mind-blowing to discover how urban sports passions are international and their communities are connected, and all committed to pushing forward the limits of their disciplines.

It's currently team Mexico lead by BMX legend Kevin Peraza and Parkour sensation Ella Bucio, that are topping the table. Brazil is creeping up on them though and in second place at the moment. In 3rd place we have Columbia lead by young BMX Freestyle talent and recent team Red Bull addition Lizsurley Villegas. France are slowly climbing the rankings as they overtake Argentina to sit in 4th place currently.
