- FIG Parkour Freestyle World Cup
- FIG Parkour Speed Run World Cup
- Spine Ramp Contests (BMX, Skateboard, Roller, Scooter)
- Bike Life

These major competitions on the world calendar of urban disciplines are as eagerly awaited thanks to the sporting challenges they represent, as by the unique opportunity for riders to push the limits of their passions in front of the massive support of the public. The recognition of most of them by their certifying international federations, some of which up to World Cup level, gives them the opportunity to collect points in the world rankings. The latter is also one of the levers for qualifying for the Paris 2024 Olympic Games, for BMX Freestyle Park and Breaking.

World top riders, hundred of thousands spectators, millions of tricks and shives, it's an epic edition that awaits the FISE 25th birthday. This year, many exclusivities are going to rock the schedule to bring to fans all of these sports, jam-packed with all of their cultural codes, esthetic identities and values.

Alongside the program of competitions, FISE Montpellier will once again bring together a whole selection of exclusive activities specific to the worlds of its disciplines. Faithful to the missions that have structured its development since 1997, the festival will offer a whole range of initiations supervised by qualified instructors who will allow everyone to discover the sensations of BMX, Skateboard, Roller, Scooter, Draisienne, Snowboard, and many more.

A new quality catering offer, offered by nearly twenty buvettes, promises an exclusive experience, including the Chill Zone, a space dedicated to all the spectators. This will be a first on the FISE, which will bring together in a friendly and shaded area animations, furniture for relaxation furnitures.

Having become a must for the event, the Art'n FISE activities will be accessible this year thanks to two dedicated places, one in the Chill Zone and one near the Street Park for Battles decided by renowned artists from this universe.

The Pirée area will host a whole new program of disciplines, with Breaking and Bike Life exclusively in front of the Region Hotel, respectively on a stage mounted on the Lez, and taking advantage of a flat space ideal for trick lines.

The festival's iconic nights, such as the contests on the Spine Ramp and the Radars concerts will also be on the agenda, before the official parties specially organized by partner establishments.

Back in physics on its mythical spot on the banks of the Lez, the FISE Montpellier holds all the cards for an exceptional anniversary edition able to bring together historical highlights and exclusives, which continue to make it the Youths' favorite meeting place since 1997.

More info are coming soon, so stay tuned and get ready for May 25th to 29th!

MORE ABOUT FISE MONTPELLIER

Created in 1997 by a student project, FISE Montpellier is now the 3rd French sports event after the Tour de France and the Vendée Globe. International and dedicated to Action Sports, the festival brings together over five days more than 600,000 spectators, 400 accredited journalists, and nearly 2,000 pros and

amateur riders in a unique place in the city center. They enjoy Parks specifically designed for them to show their talents and achieve their best performances, which host competitions labeled by leading sports federations. As one of the most awaited French events, it contributes to Montpellier's World recognition and inscribes it in the dynamics of development of these disciplines with the general public.
